What is Home Without an Heir!

This is a subject that has a place in all minds in all times. And it naturally directs thought as to the comfort of the mother during that wonderful period of expectancy. Mothers who know recommend "Mother's Friend." It is an external remedy for the stretching muscles, enables them to expand without undue strain, assists the organs to crowd against nerves, to pull at ligaments to thus avoid pain. Thus restful days are assured, peaceful nights are experienced, morning sickness, headache, apprehension and other distresses are among the various things which women everywhere relate they entirely escaped by using "Mother's Friend." And by its effect upon the muscles the form is retained and they return to their natural, smooth contour after baby is born. Get a bottle of this invaluable aid to expectant mothers. Any druggist will supply you. It is harmless but wonderfully effective. Write to Bradford Regulator Co., 413 Lamar Bldg., Atlanta, Ga., for a specially written guide book for women interested in the subject of maternity. It will prove an inspiration. It contains information that every woman should know all about. Write today.
